

Mornington Peninsula Service Provider Network (MPS)

Phone

1300 850 600 or 5950 1689

Service Description

Provides a network for all professionals working or providing a service within the Frankston Mornington Peninsula catchment. The network is predominantly for information sharing. Meetings are rotated around the three Shire office's; service providers generally attend if they have something to share or if there is something of relevance on the agenda. Contact the Community Access Worker at the Shire.
