Service Description

Provides centre-based support and outreach to young people who are experiencing problems with alcohol and other drug issues; showing signs of violent behaviour or anger in the home; at risk of homelessness, couch surfing or whose home is unsafe or unstable; issues with family or other relationships; mental health; school and bullying; or employment issues. Also provides an opportunity for young people to get help with making choices where they won't be judged. Young people can come in as individuals or with friends and family members if they prefer. Injecting drug users can access <http://www.peninsulahealth.org.au/services/services-a-e/alcohol-drug-services/sharps/> SHARPS which is a Needle Syringe Program (NSP).
