

Sexual Assault Report Anonymously (SARA) (SECASA)

Phone

9594 2289 (24 hr)

Website

<https://www.sara.org.au/>

Service Description

Provides an anonymous way to report sexual assault and harassment online. People do not report because they think the incident was minor, they are too embarrassed or they do not want police involvement. This site allows you to report a sexual assault anonymously to the South Eastern Centre Against Sexual Assault. Information can include when and where the incident took place and a description of the offender. The data you provide to SARA will be passed on to Police to identify trends, crime hotspots and make our communities safer. You can also find a printable PDF of Family Violence Information in the outer south Peninsula area
[here](http://www.secasa.com.au/assets/Documents/family-violence-information-card.pdf) or make an anonymous report now.
