Service Description

Provides services for adults for respite, recreation, day services, children's respite and fee-for-service autism training for businesses and professionals. Services are for people with Autism Spectrum Disorders (ASD), their families, and the community. SASI provides five distinct autism services: accommodation, day services, community based recreation and respite, children's residential respite, education and networking for families and carers. Also assists with supporting development and empowerment of participants; encourages individual choice and fosters self confidence; assists participants to be valued members of the community; encourages the development of our staff in the disability field; and continually reviews our service program to meet the needs and abilities of all individuals.
