/> Program Description

class="ExternalClass3C07AA47FD4F488AB87D8EFA19B2CB9C"> Koorie Engagement Support Officers (KESOs) provide schools with advice on culturally inclusive learning environments, help coordinate services to support engagement and help improve the outcomes for Koorie children and young people. KESOs are area based professionals who are members of the local Aboriginal community with an understanding of Aboriginal culture and the history of their community. Their work with schools, communities, families and services provider is intended to ensure that Aboriginal and Torres Strait Islander learners can fully engage in education.
