

KIDS TRIPLE ZERO (000) Challenge

Website

<http://kids.triplezero.gov.au/>

Service Description

Provides interactive activities and resources to help kids learn about getting help from Triple Zero and planning for an emergency by playing games and solving mysteries. Young people will learn about safety messages and hear what happens when you call Triple Zero. Along the way they will meet the "Zeros" as they are guided step by step through the game. You never know where and when an emergency will strike, so it is important to teach our kids the correct number to call to get help. The Triple Zero Kids Challenge is a fun way for them to learn - download the Triple Zero Challenge App to your tablet or smart phone.
