# **Service Description**

Provides support, information and advice to parents of children aged 0-6. Offers help with immunisation, childhood illness, sleep and settling, accident prevention, infant feeding and more. Also provides support to parents to assist their mental health and wellbeing around issues with maternal health, family health, parenting strategies, healthy lifestyles, postnatal depression and much more. This service is staffed by qualified maternal and child health nurses who provide information, support and guidance regarding child health, nutrition, breast feeding, maternal and family health and parenting. To find local Maternal and Child Health centres speak to the Mornington Peninsula Shire.
