**Service Description**

Provides a range of programs and services for young people aged 12 to 21 years who are experiencing significant problems related to their alcohol or drug use. YSAS also provide online resources for young people or staff working with young people who are experiencing alcohol and other drug problems. These online resources can be used by new workers who want to enrich or reinforce their knowledge, and by established workers who would like to add new skills or modalities - see <http://www.youthaodtoolbox.org/> > Youth AOD Toolbox.
