Eligibility Criteria

The Recovery Support Group is not suitable for current hospital in-patients, people whose physical health is severely compromised due to their eating disorders, or persons equally medically or emotionally unwell. It is also not suitable for families and friends, students, health professionals or general community members without an eating disorder.

Hours

Contact service directly

Service Description

Provides a recovery support group for young people with an eating disorder who are taking steps towards, or need support in, maintaining recovery - see list of [support groups held at the Mornington Community Contact Inc.](#)

Participation Length

Active participation is recommended but is optional.

Mode Of Referral

Please book in if you are planning on attending by 4pm on the day of the support group. There are two ways you can book: Send an SMS with your first name, location and date of group to 0481 071 211 by 4pm on the same day of the group, OR Contact the Helpline on 1300 550 236 Monday-Friday between 9.30am and 5.00pm to book into the group.
