

Family Support Services, Bayside Peninsula (Bayside Peninsula Child FIRST Family Solutions Partnership)

Phone

1300 721 383 or 9781 6700

Service Description

Provides support to families via an assessment process to reduce the need for Child Protection involvement. Families are linked to the necessary services to access the help they need through case management, in-home support to build on parent and child relationships and to improve issues that impact the well-being of the child and young person. Family Support can also include intensive case management, counselling and group work.

Service Type

INDIVIDUAL
