

## Specialist Children's Services (DEECD)

**Phone**

1300 720 151

**Email**

ecis.intake.sevr@edumail.vic.gov.au

**Client Min Age**

0

**Client Max Age**

6

**Additional Age Info**

Children aged from birth to school entry with a disability or significant development delay and their families whose needs cannot be fully met by a universal service including education, health or parenting services.

**Eligibility Criteria**

With a disability or significant developmental delay; whose supports are additional to those available through universal services - contact service directly

**Service Area**

Must live in the South Eastern Victoria region

**Service Description**

Provides parents and families with the knowledge, skills and support to meet the needs of their child, as well as optimise the child's development and ability to participate in family and community life. All services are provided using a family centred approach, recognising the importance of working in partnership with the family. Also provides Family and Children Early Support services - facilitated playgroups run for families waiting for Early Childhood Interventions Services by Central Intake.

**Service Type**
