**Service Description**

Due to open mid 2018, this state of the art childcare centre will boast 5 exceptional early learning rooms designed specifically for children aged 6 weeks to 6 years. The early learning rooms are bright and airy and will feature an abundance of age appropriate and modern resources handpicked specifically to complement our early learning program – Evolution. The outdoor area will flow directly from the early learning rooms, extending the early learning space and allowing a seamless transition between inside and outside play.
